4-H Chick Chain Program

This year, 20 Sequatchie County 4-H members can receive 25 pullets to raise. Later in the year, each participant must bring four of their best pullets to the Poultry Show and Sale. These four birds will be judged and auctioned, and the remaining pullets are yours to keep. Prize money and ribbons will be awarded based on quality, and auction proceeds will be used to purchase chicks for next year.

Participants may also complete record sheets to be judged at the show. Youth who submit records will earn a ribbon and additional premium money. If you do not return four pullets for any reason, you will be charged the average sale price for those four birds.

Timeline for 2027

- **Dec 1st, 2026**- Application due.
- **Dec 15th, 2026**- Notifications sent to selected participants.
- **January 2027**- mandatory meeting with selected participants and parents.
- **Mid-March** Chicks arrive.
- **August 2027** Poultry Show

If you're interested in raising chicks, fill out the application below. **Applications are due Tuesday, December 1, 2036, at the Extension Office**. 500 Black Star pullets will be ordered, allowing only 20 members to participate. Applications will be selected first-come, first-served and based on club participation. Participants will be notified mid- December and told when to pick up their chicks at the Extension Office. **For questions, call 949-2611.**

Poultry Application

I would like to receive 25 baby chicks.

NAME_____PHONE_____

MAILING ADDRESS_____

Address City Sate Zip

EMAIL _____ GRADE_____

Do you currently have chickens? YES NO

I understand that if I do not return 4 pullets to the show and sale, I will be charged for those 4 pullets. If I fail to pay for those pullets, I will not be able to participate in the Chick Chain again until the fee is paid.
